The number of rolling substitutions is unlimited. A 'rolling' substitution is one which is made when the ball is dead and with the Outgoing player must leave the field of play before the substitute enters the playing area. Only the defending goalkeeper is allowed to play the ball inside the goal area and only the goalkeeper may handle the ball in this area. 17. Outfield players are allowed in the goal area. 18. Goalkeepers are allowed out of goal area; however, a free kick can be awarded if the goalkeeper handles the ball outside this area. 19. An outfield player who receives a throw from the goalkeeper cannot pass the ball directly back to the keeper, the ball must be touched by a second player. Such an action would result in a direct kick 5 yards outside the penalty area in line with the infringement. 20. Ball is allowed to go over head height. 21. A goal may be scored from any point within the field of play. The only exception is that goalkeepers may not score against their opponents (except in penalty shoot-outs). 22. The taking of a penalty will be in line with the one step rule. 24. Abusive language will be penalised at the referee's discretion by awarding a direct free kick. 25.
